Parker,

You need to prepare your paid skills a bit better. They need to at least know what car show they are speaking in favor of.

The maneuvering regarding this issue has inspired me to change my name again. You may now address me as "The Ambusher", as so many of the supporters of the HIN event seem to have "spontaneously" dubbed me.

Mr. Ecker,

.....please note that Hot Import Nights is not an event that we plan. I have seen it on their website but they have not reached out to our office...
